

Google Fiber to the Home YouTube Video Contest

1st Prize - \$100
2nd Prize - (up to 3) \$50
Honorable Mention – (up to 10) \$25

Google is looking to invest \$Millions\$ of dollars in a Community Fiber Optic network to explore new ways of how you could use a

1-Gigabit Internet Connection

(50-1000 times faster than current broadband) at your home, school, or work

Cottonwood Heights wants you to create a video with your ideas, upload it to YouTube and share the video link with us and with Google.

- Videos must be no longer than 2 minutes in length (we don't want to bore Google or the CH Judges!)
- Must include reference to Cottonwood Heights and either Google or Google Fiber to the Home project ("I wanna get **Googled**" "**Google** me" "I want a **Google** High Fiber Diet" etc. – remember videos must meet YouTube standards)
- BE CREATIVE!! One Slam-Dunk idea might be all that's needed for **Google** to put Cottonwood Heights on a High (speed) Fiber Diet! This is way better than a Bran Muffin!
- HAVE FUN!
- GeoTag of video on **Google**Maps is a plus – where video was shot/made etc.
- Upload to YouTube and
 - E-mail link to googlefiber@cottonwoodheights.utah.gov to be considered for a prize (include contact information in your e-mail)
 - Go to <http://www.google.com/appserve/fiberrfi/public/options> click on "Nominate Your Community" fill out as much information as you like/can but be sure to include the YouTube link in your submission
- Multiple submissions OK
- Submissions for prizes must be received by March 26, 2010 at 5:00 pm
- Winners will be announced at City Council Meeting in April
